This year, I stepped down from my roles on the EAADA Executive, but I am still maintaining the website eaada.ca and I am also willing to help out behind the scenes on an as needed basis.

After about a year and a half break from riding, I have a new horse, Dee, and he will be 4 in June. I bought him as a two year old and started him myself. He is a Canadian Warmblood, bred here in Alberta. I plan/hope to take him to a few shows this year.

Apart from riding, I enjoy traveling to warm sunny places being that I grew up in South Africa.
