Hello! My name is Deb Meraw and I am honored to resume the role as EAADA President for 2021.

This year may prove to be a bit challenging but with new additions to our EAADA Executive- but I am confident that we can come up with some new and exciting activities for our members.

I am currently very fortunate to be riding a horse owned by Marilyn Kristjansen. His name is DON CAVALLO 11 but some days I refer to him as "Donny" or "THE DONALD" for various reasons... "Donny" and I are currently pursuing the PSG level with hopes of entering a show or two.

I am a semi-retired high school teacher and am now working as a Practicum Supervisor - supervising Student Teachers at various schools in our area.

This year our family purchased a Papillon puppy -"Katie", we are thoroughly enjoying her antics on a daily basis.
