

Edmonton Area Alberta Dressage Association 2021 Clinic Subsidy Form

In an effort to further support dressage education for its members, the Edmonton Area Alberta Dressage Association is setting aside money each year to support members wishing to bring in dressage clinicians. Funding is subject to the financial health of the club and at the discretion of the executive. We are offering a \$150.00 subsidy per clinic with a cap of 3 subsidies per organizer. At the end of the year, if there is money left over, addition subsidies may be distributed to organizers that have more than 3 clinics, provided that an eligible subsidy form is submitted for each clinic.

In order to receive subsidy funds, EAADA requires clinic hosts to advertise subsidized clinics through the EAADA and offer an auditing discount to EAADA members. As well, EAADA membership forms and the benefits of membership must be on display at the venue. The clinic will also be listed on the ADA website under clinics upon receipt of this form.

Please note:

In order to be eligible for funding clinic organizers must present the clinic subsidy form to EAADA four weeks prior to the clinic for review and approval.

Organizer must be a current EAADA Member.
