

KIM ALCORN

TREASURER AND COMMUNICATIONS DIRECTOR

Hello! My name is Kim Alcorn and I am pleased to take on the role of Treasurer for this wonderful group starting this year (2021). I have one horse, Goldie, who is a Canadian Warmblood (½ Hanoverian x ½ Quarter Horse) mare. At the moment, my riding goal is to get to the PSG level. Goldie and I have a couple of levels to go, as we are currently in third level, working on fourth.

Away from riding, I'm a professional engineer at the wastewater treatment plant in Edmonton. If you live in Edmonton or are one of the Southern neighbours (Leduc, Beaumont, etc.), I deal with whatever goes down your drain each day.

Other things that keep me busy are running, weight lifting, playing video games with my husband, and doing fun activities – like agility and scent detection – with my dog, Cedric.
