

2026 EAADA CLINIC AND SHOW SUBSIDY APPLICATION

As a non-profit dressage association, our goal is to support riders at every stage of their journey and ensure that participation in our sport remains as accessible as possible.

We are pleased to continue to offer our EAADA Clinic and Show Subsidy program for our members, designed to help offset costs associated with training, competition, and continued involvement in dressage. We recognize the financial commitment required to pursue this discipline, and this initiative reflects our commitment to supporting our riders.
